(Civil Action No. 99-20593)**

**This Notice is given pursuant to an order issued by  
the United States District Court for the Eastern  
District of Pennsylvania (the "Court").**

On \_\_\_\_\_, 2023, Class Counsel and Wyeth filed a joint Motion asking the Court to approve an Eleventh Amendment to the Nationwide Class Action Settlement of the litigation relating to the diet drugs Pondimin® and Redux™. The Memorandum in Support of the Motion explains that the Parties agreed to this Eleventh Amendment and seek its approval by the Court to streamline, expedite, and modernize the processing of any claims submitted for incremental Matrix Compensation Benefits and make the administration structure more in line with the low

level of claim activity over the past several years. The Eleventh Amendment, if approved, will replace the AHP Settlement Trust and its Trustee with BrownGreer PLC as Claim Administrator to process all Claims for incremental Matrix compensation under the Settlement, subject to the supervision of and right of a Class Member to appeal to the Court. The proposed Eleventh Amendment does not change the compensation rights of any Class Member under the terms of the Nationwide Class Action Settlement Agreement.

You may read the Motion, Memorandum in Support, and the Eleventh Amendment and its Exhibits by going to the AHP Settlement Trust website at [settlementdietdrugs.com](http://settlementdietdrugs.com) or the website at [www.dietdrugsettlementprogram.com](http://www.dietdrugsettlementprogram.com). You may also request a copy by writing to Diet Drug Settlement Program, P.O. Box 85006, Richmond, VA 23285.

No one is required to file any response to the Motion. But if you would like to submit a response, you must file it with the Clerk of the Court ***no later than*** \_\_\_\_\_, **2023**. A late response will not be considered.
